Brad R. Cook Author & Historian

I see things that never were and say, "Why not?"

Brad R. Cook is the author of historical fantasy, and award-winning short stories. He began as a playwright, dipped into the corporate writing world, and served as co-publisher and acquisitions editor for Blank Slate Press. He currently serves as Historian of St. Louis Writers Guild after three and half years as President. He learned to fence at thirteen, and never set down his sword, but prefers to curl up with a centuries' old classic.
